

Furniture Life Cycle

Our Mission:
Maximize value,
extend product
life cycle and minimize
environmental
impact

We've Got You Covered

Through a unique alignment of our Insidesource family of companies, you have a one-stop partner who will help you create a more sustainable workplace that is smart for business and the planet.

Insidesource will work with you to select, reimagine, optimize and/or decommission existing product as your workplace evolves.

You'll receive proceeds from liquidation, earnings from recycled materials and tax deductions from donations benefiting nonprofits around the country.
